

CITY COUNCIL IN REGULAR SESSION

Lighting Contract For Another Six Year Period Is Offered At Old Rate

The White Way committee reported progress at the meeting of the City Council held as usual for November, on Thursday night, a new City Board of Health was appointed and considerable routine business disposed of.

Police Judge G. Murray Smith reported \$133 imposed in fines in his court during October. City Tax Collector J. M. Dykes, reported tax collections to the first of November at \$53,559.40, which went to the following funds: General fund, \$24,856.35; to the school fund, \$13,601.50; to the sinking fund, \$1,856.35; to the sinking fund for street bonds, \$13,902.75. Street Commissioner Allman reported \$410.80 spent for labor on street work during October. Chief of Police Clarence Devore attached his check for \$51 for amount of fines he collected during the past month. City Engineer S. F. Creelius submitted a lengthy technical report of the work that has been done on the sewers and streets.

The Water and Light Committee reported that Mayor Evans said that the Richmond Water & Light Company complained that the sewerage work was interfering with its water mains. He said this was caused, however, by failure of the company to give the engineer the proper location of its mains; that he had dug for the new sewers where the company had said the pipe was not, and found water pipe. The matter has been turned over to City Engineer Creelius for attention.

Councilman Terrill reported that the Fiscal Court had agreed to pay for the county's third of the street improvement cost around the court house at a figure not to exceed \$6,000. Councilman Terrill will also take up with the Fiscal Court the matter of the Whit Way lights in front of the court house.

Councilman Golden said a pond on railroad property near Mr. Vandever's store in the East End is causing much complaint, and it was voted to request the railroad company to remedy the matter.

Councilman Mershon secured a favorable vote on his motion to place a light on Irvine street near the city limits. One will be transferred from near the old barrel factory.

The push cart question was brought up by Councilman Wm. O'Neil, who said that Chief Devore is enforcing the ordinance to keep them off the sidewalks, and several business houses which have to use them, have found them endangered in the streets by autos and other traffic since the central parking system has made the room on each side of street so narrow. Nothing was done about the matter, after considerable debate.

F. H. Barnett was rebated \$25 on his pool room license as he was unable to use six tables for which he had originally secured license, his storeroom accommodating only five tables.

Councilman William O'Neil requested information from the city attorney as to the powers of the city assessor to begin making an earlier assessment so that extra help would not have to be employed and the assessor's books be gotten out on time.

Councilman Terrill presented requests for building permits from Emil Lohrlich for the ice cream factory he proposes to build on Armer street. It will be of brick and cost about \$3,000. The Richmond Motor Company

was also granted permit for a gasoline filling station in front of its garage on West Main street.

Upon complaint of Councilman Golden, City Attorney Chenault promised to see that two trees at the corner of Main and Collins streets are removed. They are said to damage buggies and automobiles with their overhanging branches.

Attorney C. C. Wallace asked that a low place in a street in Evansdale be tiled and drained, and it was referred to the Street Committee with power to act.

Owen Walker and Sam Collins, both colored, were granted license to conduct pool rooms on opposite corners of First and Irvine streets.

Upon suggestion of Dr. A. G. Bosley, the council elected Dr. C. E. Smoot, Messrs. J. W. Hamilton and E. C. Stockton, as members of the City Board of Health for the ensuing three years. They succeed Messrs. E. Berry, T. H. Campbell and J. Hale Dean, whose terms have expired.

Bud Kearns objected to a stable which is being erected without a building permit by Aline Phelps, on East Main street, and the police were instructed to notify her not to build it without securing a permit from the council as required by law.

The Kentucky Utilities Company presented a renewal of its street lighting contract with the city, the old contract having expired. The new contract calls for payment of the same rate for street lights as the old contract, and like the old contract runs for a period of six years. Upon motion of Councilman Terrill the contract was referred to the Lighting Committee to investigate and report on at the December meeting of the council. In the meantime, the company is authorized by resolution to continue street lighting under present arrangements until the new contract has been ratified by the council.

Mr. McLellan, of the Kentucky Utilities Company, reported that \$4,000 has been subscribed toward the White Way project. He thought the outlook is very satisfactory and felt that with a strong effort by the committee, the entire sum needed can be raised soon.

Prominent Paris Woman Dead

Mrs. Lucile Turney Clay, wife of J. Frank Clay, prominent farmer of Bourbon county, died Wednesday afternoon at the home of her sister, Mrs. Harry B. Clay in Paris. Mrs. Clay went to Paris last week to visit her sister, became ill and was unable to return to her home.

Mrs. Clay was the daughter of the late Captain Dan Turner and Mrs. Mollie Mitchell Turney. Besides her husband she is survived by two sons, Turney Clay and Harry B. Clay, Jr.; one daughter, Miss Laura Frances Clay and three sisters, Mrs. Harry B. Clay, Mrs. Sam Willis and Mrs. Edna McMillan.

The funeral services were held Thursday afternoon at 2:30 o'clock at the residence of Harry B. Clay, the Rev. F. J. Cheek, of Danville officiating.

Goes To Reform School Again

Christopher Riddle, aged 14, was convicted of general incorrigibility by a jury in Juvenile Court Friday, and Judge Price sentenced him to a year in the Reform School at Greendale. The lad has been there before, but his parents are unable to control him, and the truant officer reports that he will not attend school.

KENTUCKY DRIES NOW HAVE SAFE MAJORITY

(By Associated Press) Louisville, Nov. 7.—Returns from 90 of the 120 counties show a majority of 4,509 for the prohibition amendment to the constitution of Kentucky. The Anti-Saloon League today claimed most of the remaining 31 counties will increase the majority for the "drys."

OHIO DEFEATS NATION WIDE PROHIBITION

(By Associated Press) Columbus, O., Nov. 7.—The fate of the Federal prohibition amendment was made more uncertain today by additional returns from Tuesday's Ohio election. Complete returns, some unofficial, in all but 10 counties gave the wets a lead of 9,150. The 14 missing counties a year ago gave dry majorities of 8,237. Of the remaining proposals, the "drys" are apparently victorious on the two and three-fourth per cent beer and the state-wide prohibition proposals. The dry leaders concede the defeat of the Crabbe prohibition enforcement measure.

Ohio Refuses To Ratify Nation-Wide Prohibition

Cincinnati, O., Nov. 7.—Tabulated and checked semi-official reports from all save four of the 5,882 precincts in Ohio give a majority of 2,426 against the ratification of Federal prohibition by the General Assembly. The missing precincts are in rural Fulton county and will not affect the result.

The same precincts show that the Crabbe law to enforce the state prohibition amendment is 28,498 short of approval, and is therefore repealed. By a majority of 41,324 the voters refused to repeal the state prohibition amendment adopted in 1918, and rejected the proposal to define beer with an alcoholic content of 2.75 per cent as nonintoxicating by a majority of 23,610.

Just A Matter Of "Eats"

London, Nov. 7.—Joseph Oldfield, known internationally as a physician and a writer, has published a prescription for keeping old age at bay.

According to him, it is not a question of an operation, but a daily diet, which includes dandelion leaves, fowl's eggs, grapes, lettuce, cow's milk, watercress, honey and salads (uncooked).

"Old age," he says, "is caused largely by deposit in the blood vessels and cells of the body of waste matter. So, by adopting a part fruitarian diet, a man however old, may become young again, because every cell in the body will be replaced by young cells." Dr. Oldfield asserts that a normal person, rightly fed, should live to be from 90 to 105 years old.

PREPARING FOR COAL STRIKE TO GET BITTER

(By Associated Press) Washington, Nov. 7.—Officials in direct touch with the nationwide coal strike today apparently prepared for a prolonged shut down of mines. While the Railroad Administration would not divulge details of its workmen's arrangements, it admitted that the coal strike would be a "bitter fight."

In West Virginia miners continue to return to work in small numbers, according to reports here. In some quarters the belief prevailed the strike on the edge of solid union districts is losing force.

THREE LIVES LOST IN ATLANTA HOTEL FIRE

(By Associated Press) Atlanta, Nov. 7.—Fire wrecked the Wilson Hotel here today. Scores of guests were rescued by firemen. The first search of the ruins revealed three bodies.

Two other persons were so badly injured they may die while a number are seriously burned. The cause of the fire is undetermined.

WILL SPREAD ROCK ON SIDES OF TARTIA ROADS

In an effort to improve conditions on the two mile stretch of pike coming into Richmond, which had tarvia applied, and have proven very slick for horses, the Fiscal Court at its meeting Wednesday, decided to spread rock on the sides of the tarvia. Several of the magistrates, who said that their constituents have complained greatly of the damage to their horses and mules, wanted the entire pike plowed up. Some suggested that harrows be run over the roads. It appeared that the horses and mules have trouble principally on the hill-sides, and that tarvia is found to be harder to hold their footing on than ice.

Squire Pleas Benton, who is just up from an operation for appendicitis, came all the way in just to attend the meeting of the Fiscal Court for the purpose of seeing if something couldn't be done about the tarvia on the roads. He is gradually getting strength back. He really should not have come out, but said that the complaint among his people is so strong that he wanted to get something done.

Discussion of the road question which is becoming more serious in Madison every day, and transaction of other routine business, occupied the attention of the court principally. The members went out on the Barnes Mill pike to inspect the tarvia section of it, and decided to scatter rock on the sides of the road in an effort to better conditions.

WILSON STANDS WITH DEMOCRATIC LEADERS

On Treaty Reservations, Just So As National Covenant Is Not Abrogated

(By Associated Press) Washington, Nov. 7.—President Wilson today told Senator Hitchcock administration leader in the Senate treaty fight, he would be entirely satisfied with any reservation the supporters of the treaty might feel justified in accepting, provided they did not nullify the League of Nations covenant and were designed for the purpose of interpreting the terms of the treaty. Hitchcock said the President expressed "his very strong approval" of what had been done to date and agreed that no compromise would be offered unless a dead lock.

On the resolution of ratification Hitchcock outlined his program as first an endeavor to defeat the reservations reported by the Foreign Relations Committee and if that failed, to vote down the resolution of ratification containing them.

The next move would be to present a resolution of ratification and should a dead lock ensue, then attempt to compromise with the republican opponents.

Hitchcock said if a ratification resolution containing the committee reservation is adopted that would settle the fight as far as the senate is concerned, but the president could "pigeon hole" the treaty. He declined, however, to speculate on the president's probable course. The President was propped in bed during the Hitchcock interview. The latter said the President is much improved in health but his face showed he had endured great suffering.

Hayseed Or Plutocrat?

Not so many years ago the term "hayseed" was jocularly applied to the American farmer.

And the farmer didn't resent it because he couldn't.

He lived from hand to mouth, and often there was but little left by the time it reached the mouth.

But now?

Say, just watch the old boy's smoke!

There are no plasters on his farm.

He is out of debt, with a comfortable surplus stored away.

His stock is fat and of the best grade.

His acres are teeming with products of the soil and the result of his fertile brain.

He comes to town in his automobile, smokes the best cigars, and his family has a college education and buys the best clothes.

Once he went into the bank with his hat in his hand. Now he owns its stock, is a director, or perhaps the president.

In other days he asked favors. Now he issues orders.

A hayseed? Well hardly.

A plutocrat? You bet!

Horse sense and opportunity did it.

The Many Mysteries of Nature

BY L. W. BOWER, M. D.

You can take an onion seed and a pansy seed, and plant them side by side in the same spot of ground. In one case, you get an onion, with its peculiarly strong odor, and in the other you get a flower of rare beauty. You can plant a poppy seed and get opium (a dangerous, habit-forming drug), or you can plant a rhubarb seed and get something that helps constipation. No scientist, living or dead, can explain these mysteries of Nature. Behind the invisible life germ in each seed is hidden the deep secret that nobody understands. Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening drains, bearing-down pains, periodical irregularities, pelvic inflammations, and for the many disorders common to women in all ages of life. Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it.

Favorite Prescription should have the full confidence of every woman in America because it contains no alcohol and no narcotic. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine are in-rious, and so he has always kept them out of his remedies. Send 10c to Dr. Pierce's Invalid Hotel, Buffalo, N. Y. for trial pkg. Tablets.

PRINCE ALBERT
the national joy smoke

ROLLING your own cigarettes with Prince Albert is just about as joy'us a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin's cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take to it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jimmy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. And, me-o-my, what a wad of smokesport will ripple your way every time you fill up!

Much Argentine Wool Brought Here

The United States is Argentina's best customer for wool, according to the Bureau of Markets, United States Department of Agriculture. For the wool season of 1915-16 Argentina ex-

ported 152,598 bales to this country, or 61 per cent of Argentina's entire exports of wool. For 1916-17 the United States took 225,467 bales, or 64 per cent. For the 1917-18 season 209,528 bales, or 73 per cent, were shipped to this country.

This Laxative Is Now in Half a Million Homes

They regulate their health with
Dr. Caldwell's Syrup Pepsin

Where there are women and young children and elderly people it is always well to have a mild, gentle-acting laxative like Dr. Caldwell's Syrup Pepsin handy. This is a combination of simple laxative herbs with pepsin which does all that is required in constipation and does it with safety and comfort. It is free from narcotics and may be given to babies. Half a million mothers have it in as many good American homes, and these families are healthier for it. Every drug store sells Syrup Pepsin at 50c and \$1 a large bottle, the latter for those who already know its merits.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 311 Washington St., Monticello, Illinois.

**DR. CALDWELL'S
SYRUP-PEPSIN
THE PERFECT LAXATIVE**

BREWERIES MAY MAKE NEW SUGAR SUBSTITUTE

Manufacturing of malt sugar sirup promises not only to relieve the present shortage and prevent a future scarcity of sugar, but also to provide profitable use for the plants and machinery formerly used in the brewing of beer. This is a sweet which has been put on a commercial basis at the psychological moment, say the specialists of the Department of Agriculture, by whom investigations of various substitutes for sugar have been conducted.

In addition to being a sweet, malt sugar sirup has a delicious flavor somewhat like that of honey, the chemists say. This quality adds to its palatableness and value as a substitute for sugar.

Malt sugar sirup has long been known to chemists, but its production on a commercial basis has only lately been undertaken with a prospect of success. Two factors have tended to stimulate its manufacture. The shortage of ordinary sugar has developed a market for substitutes, and the decrease in the use of grains for brewing has afforded plentiful raw materials.

It is announced by investigators of the Department of Agriculture that with very little change brewing plants may be devoted to the manufacture of this new sweet. Up to a certain point the process for making malt sugar sirup is identical with that for beer. The only additional equipment which breweries will require to become malt sugar sirup factories.

Malt sugar sirup is already being sold in large quantities to commercial bakeries and to manufacturers of soft drinks and candy. They use it instead of sugar. The wholesale price has recently been quoted at from 7 to 9 cents a pound by the barrel.

The Department of Agriculture points out that sirup can be used in cooking, baking and home-made confections, and even in sweetening coffee, oatmeal and desserts.

Many Sheep Marketed At Omaha

During September all former records of sheep receipts for a single month at the Omaha market were broken, a total of 849,811 animals arriving. It is interesting to note from reports received by the United States Department of Agriculture that 29 per cent of the receipts were sold to slaughterers, while 71 per cent went back to the country as feeders, Nebraska and Iowa purchasing a large percentage of the feeder animals. The abundance of rough feed in the territory tributary to Omaha is largely responsible for the heavy sales of stock sheep.

BEGY'S MUSTARINE ASTONISHES ALL

Money Back, Says Druggists, If Begy's Mustarine Isn't By Far The Best Mustard Preparation

A Big Yellow Box For 30c

Ask your druggist to show you a box of Begy's Mustarine; he and every other druggist in America is authorized to return your money if it does not do as advertised.

Doctors have prescribed it for 19 years. It's original, and best improvement on the old-fashioned Mustard Plaster, and quickly stops rheumatic pains, neuritis, neuralgia and lumbago, and instantly relieves tonsillitis, bronchitis and pleurisy.

Just rub it on, and over night away goes sore throat, coughs and chest colds.

For sprains, swellings, and all aches and pains, it has no equal, while for sore feet, nothing yet discovered can compare with it. It's the quickest pain killer on earth. Be sure its Begy's—always in the yellow box.

NURSE OFFERS HER OPINION OF TONIC'S MERIT

"Trutona Worked Like Magic In My Case," Mrs. Richey Asserts

Paducah, Ky., Nov. 6—Mrs. S. A. Richey, 66 years old, of 441 South Sixth street, has been a resident of Paducah for the past seven years, twenty-one of which have been spent as a nurse. These years as a nurse have given Mrs. Richey a thorough knowledge of many different medicines which will lend force to her indorsement of Trutona, the perfect tonic.

"Trutona has worked like magic," is the tribute paid to this tonic by Mrs. Richey. "I had kidney trouble for many years," she said. "This morning I awoke with a severe pain in my back so severe that I could hardly get up. My stomach was in a bad condition, too. After eating I felt bloated and would be annoyed by a shortness of breath. Because of my weakened kidneys I would have to get up seven or eight times during the night.

"The relief I've gained from Trutona has been remarkable. I never have to get up in the night now, on account of my kidneys. The pains in my back have disappeared. And my stomach—well, it's sufficient to say that I enjoy my meals as never before. The beauty of it is that everything I eat agrees with me. I can recommend Trutona as the medicine that gives relief and I hope others suffering as I did will try it.

Trutona is now being introduced and explained in Richmond at H. L. Perry & Son's.

Citizens committee who will continue the work of soliciting funds and will continue their efforts until the desired amount is reached. Certainly with 50 per cent raised we will not fail at the time when success is so near.

It is hoped that the work of installation will start in the early spring, at the same time streets are in course of construction and between now and that time every effort will be continued toward having the total amount raised by time work is begun.

If the White Way should not be installed before the streets are completed, the cost of the installation would then be doubled, and it would greatly disfigure the streets to install it afterwards and to such an extent that it is doubtful if Richmond would ever have a "Great White Way" during the life of the present generation.

We must not fail on this important task.

The Daily Register will be glad to offer its services to receive subscriptions, that may be sent in phoned in or otherwise. Richmond must not "fall down" on this improvement.

Dispatches from Frankfort say that Major Jackson Morris is to be Adjutant General under Gov. Morrow and that J. M. Perkins, of Frankfort, was promised the wardenship of the Frankfort penitentiary when he got out of the way of Fred Vaughn, for secretary of state. There'll be a lot of pie-cutting for the new administration, and there's no reason why Madison county republicans shouldn't get almost anything they want. Will Mays, now on the State Tax Commission staff, and a first cousin of Gov. Morrow, ought to be right in line for any berth he wants, and there will be enough good jobs for all to get a slice of the pie that hasn't been passed their way for eight years.

HAS WINCHESTER FOUND THE SAME?

The Answer Is Found In The Answer of a Winchester Resident

We have been reading week after week in the local press of Richmond citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in the neighboring towns. This frank and earnest statement by a well-known and respected resident of Winchester will set this doubt at rest.

M. S. McIntosh, 1 New St., Winchester, Ky., says: "My kidneys were weak and I suffered with severe backaches and catches in the small of my back. At times I was so sore and lame I couldn't stoop or bend and the least move sent sharp pains all through my body. I heard of Doan's Kidney Pills and used them. They helped me by strengthening my back and relieving all symptoms of kidney trouble."

BIFF!

Stop jolting Liver and Bowels with violent drugs, but take "Cascarets."

"Dynamiting" bile out of your system with calomel and other sickening purgatives is all wrong. Salts, Oil and Cathartic Waters act by flooding the bowels with the digestive juices which are vital to the stomach. Cascarets are different. They act as a tonic to the bowel muscles, which is the only sensible way to relieve a bilious attack, a sour, acid stomach, or constipated bowels. There is no griping or inconvenience. You naturally return to regularity and cheerfulness. Cascarets cost very little and they work while you sleep.

WOMAN SO ILL
COULD NOT WALK

Lydia E. Pinkham's Vegetable
Compound Restored Her
to Health

Perth Amboy, N. J. — "For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper and tried it. Now I am better, feel strong, have no pain, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound — that is what makes me feel well and look well. I recommended it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills." — Mrs. MARTHA STAMBLAWSKI, 524 Penn St., Perth Amboy, N. J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

Safely Stop Colds As Told In
"Bayer Packages"

To break up a cold in the head, neck, back, or any part of body be sure you take only "Bayer Tablets of Aspirin" with the safety "Bayer Cross" on them. This is the genuine Aspirin, proved safe by millions and prescribed by physicians for over 18 years.

You must say "Bayer"—Don't merely ask for Aspirin Tablets. Then you can take them without fear, to relieve your Colds, Headache, Neuralgia, Earache, Toothache, Rheumatism, Sciatica, Neuritis, Lumbago and Pains generally.

Handy tin boxes containing 12 tablets cost only a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of the Bayer Manufacture of Monoaceticacidester of Salicylic Acid.

ESCAPE

"I was told by our family physician that I could not live without an operation, as my liver and gall sack were in such a condition. I set the day to go to the hospital, but then saw the advertisement of Mayr's Wonderful Remedy. Since taking it I am feeling like a two-year-old. I am sure I never could have survived an operation." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. The Closing Series of Auction Sales By Swinebroad, The Real Estate Man, of Lancaster, Ky. 5 Mercer County Farms--663 Acres in All

Friday, November 7, Saturday, November 8, Tuesday, November 11

"Land Hunger is still Unsatisfied." But few farms can now be purchased either privately or at auction. This may be your last opportunity. Swinebroad is the only man in the business who has offered a series of sales in the same neighborhood, so as to give the buyers an opportunity to attend and look over the different farms at the least expense. I have refused to offer at auction almost as many farms as I have sold. Why? Because I know land values and will not offer at public sale any farm unless owner is willing to absolutely "turn loose" or "turn loose" at a price which will justify the buyers to bid. This is one of the reasons why Swinebroad "ALWAYS SELLS" and the bidders fix the price. These farms are located in the very best belt in Mercer county.

FARM NO. 1

FRIDAY, November 7th

10 O'CLOCK A. M.

On the Burgin and Shakertown pike, 3 miles from Burgin, 2 miles from Shakertown. This is part of what is known as the "Wilder Farm," recently purchased by J. A. Conn. Mr. Conn has decided to keep his home in Garrard county, therefore, this farm is for sale to the "High Dollar." Land is level, very fertile, and in high state of cultivation. 25 acres sown to rye, 15 acres in corn and tobacco this year, ready to plow next year. Balance of farm in blue grass. Right on the pike. Beautiful yard and frontage to pike. Large shade trees. Farm is divided into six fields, well fenced, and well watered.

IMPROVEMENTS—7 room bungalow, with two porches, stock and tobacco barn, garage, tenant house, all necessary outbuildings. Cistern at the house and also at the barn. It is hard to find a little tract like this just as good or just as desirable. Remember, we are going to sell it.

86 Acres in This Little Farm

Just the size farm you have been looking for. Will be sold in one tract. Be on hand promptly at 10 o'clock, Friday, November 7th, as it won't take us long to sell this one.

This is the day of one of the Double Headers. Immediately after the sale of this farm we will go to the Curd Farm, nearby for dinner, and sell Mr. Curd's farm, stock, etc.

FARM NO. 2

Same Date, FRIDAY, Nov. 7th

Just After the Sale of the Conn Farm

125 Acres for A. W. Curd

Located on the Curd pike, 4 miles north of Burgin, 3 miles from Shakertown, close to the Shawnee Run Baptist church. The farm where Mr. Curd has raised his fine Jersey cows. This farm is well located, well improved and in a high state of cultivation. Just ready for some one to make a lot of money on. You will never be sorry a minute if you buy this farm. Now is the time to buy a farm and good ones are getting harder to find every day.

This farm will be subdivided and 35 acres sold with the tenant house, 65 acres with the main dwelling, the other 25 acres so it can be attached to either tract.

IMPROVEMENTS—They are splendid. An up-to-date well built 5-room cottage, with hall, concrete basement, front and back porches, cistern in back porch. 10 acre tobacco barn, large stock barn 40 x 70 feet with 14 foot shed. Cow barn with 16 stalls. 2 silos. Garage and all necessary outbuildings. Plenty of fruit of all kinds. 5 room tenant house. Farm well fenced and watered by springs and concrete troughs. Will be sold on easy terms.

At the same time Mr. Curd will sell the following personal property: 50 head of hogs; 10 sows and 65 pigs; 1 Percheron horse; 1 good work horse; 1 harness mare; 4 work mules; 2-year-old mare mule; 16 fine Jersey cows, 5 fresh; 2-year-old Jersey heifer; 2 yearling Jersey heifers; 2-year-old Aberdeen Angus bull; registered Jersey bull. Farm Implements—Wagons, mowers, plows, harrows, Blizard cutting box, 8 h. p. gasoline engine, sorghum mill and evaporator, 14 hives of bees.

Don't forget this farm will sell, and don't forget we sell the Conn tract FIRST, on this date. We will have a good dinner for you here.

FARM NO. 3

SATURDAY, November 8th

10 O'CLOCK SHARP

102 Acres for J. W. Jones

One mile from the Danville and Shakertown pike, good level road from pike to farm. 6 miles from Harrodsburg, 2 miles from Shakertown. This is one of the best farms I have offered for sale this year. The land has been well taken care of and is in high state of cultivation, no waste land. 25 acres in wheat, 7 acres in rye, balance in grass. Land is level and gently rolling.

Mr. Jones recently purchased a larger farm, therefore, offers this for sale and somebody will get a bargain as it is going to sell to the high dollar. Terms very liberal. Possession immediately.

IMPROVEMENTS—8 room cottage, 3 porches, stock barn, tobacco barn, and all outbuildings. Well fenced and everlasting water. One of the best springs in the county. If you want a farm that will pay for itself this is the farm to buy. There will be no knockers on this farm as everybody says that it is a good one.

After this sale of 102 acres for Mr. Jones, we will go to the Gillespie farm near by. We will have a good dinner at the Gillespie farm.

FARM NO. 4

SATURDAY, November 8th

Just After the Sale of the Jones Farm

We will sell

142 Acres for A. Gillespie

of high class land, well improved and a beautiful place to live. Right on the Shakertown and Burgin pike, right at the town of Shakertown. In passing everybody says "What a pretty place. Wonder who lives there?" And we wonder how we persuaded Mr. Gillespie to sell. But some buyer will get the benefit of our persuading Mr. Gillespie to sell this dandy little farm. It has a beautiful frontage on the pike, an 8 room dwelling, 2 porches, equipped with electric lights, tobacco barn, stock barn, double crib, 2 tenant houses. 75 acres in grass, 20 acres in wheat, balance in corn. Splendidly watered by wells, cistern and pond. Remember we are selling land in the best belt in Mercer county. This 142 acres will be subdivided and sold for the high dollar in two tracts, one tract of about 30 or 40 acres, and the other tract of 100 to 110 acres, both tracts fronting on pike. Don't fail to look this one over.

At the same time Mr. Gillespie will sell a lot of Stock and Farming Implements, consisting in part as follows: Good work horse; pair of 4-year-old mare mules; pair of 5-year-old mare mules; yearling filly; good milk cow; 3 fat heifers; yearling steer; weanling calves; 1 one-horse wagon; binder; mowing machine, tobacco setter; 2 new 2-horse wagons; corn planter; feed cutter; plows; harrows; harness, etc.

Liberal Terms.

Remember the Double Header on this date.

The Jones farm above sells first and then we will sell the Gillespie farm. Meet us at the Jones Farm at 10 o'clock.

FARM NO. 5

TUESDAY, November 11th

10 O'CLOCK A. M.

210 Acres for G. W. Baker

LOCATION—On the Buster pike 1-2 miles from Burgin, 5 miles from Danville, 5 miles from Harrodsburg.

IMPROVEMENTS—Two-story 8 room dwelling with hall and 3 porches, cellar, furnace, and water works. Electric line in front of house, all that is necessary is to attach. A modern and comfortable home 100 yards from pike. Front yard and grass lawn to pike. Also 2 tenant houses, 2 tobacco barns, (15 acres), 1 stock barn, other out building, 2 orchards, watered by well, cistern, concrete troughs and tank. 50 acres in wheat, 10 acres in rye, 25 acres in orchard grass and blue grass, 75 acres young clover, 20 acres second year clover, 30 acres stubble. Land almost level and very fertile. Just the kind of a farm you have always wanted. This farm is in a high state of cultivation. If you do not take advantage of this opportunity you will regret it. Here is one you will buy for "keeps." Will be subdivided and sold in three tracts, 2 tracts of 50 acres each and one tract of 110 acres. Or we will sell you just the number of acres you may desire. Remember "You must be Satisfied."

ALSO REMEMBER THIS IS AN ABSOLUTE SALE, without reserve or by-bid.

Mr. Baker has bought another farm and he told Swinebroad and Bolivar Bond to absolutely sell this one to the high dollar.

LIBERAL TERMS. DINNER ON THE GROUNDS.

At the same time Mr. Baker will also sell a lot of personal property consisting of Hogs, Cattle, Horses, Mules and Farming Implements.

For further particulars inquire of J. A. Conn, Lancaster, Ky., J. W. Jones, Phone No. 4211, Burgin Exchange, A. Gillespie, at his farm, post office address, Harrodsburg, Ky., A. W. Curd, Burgin, Ky., G. W. Baker, Burgin, Ky., Bolivar Bond & Son, Versailles, Ky., or

"MICKEY"

"Mickey" is a blending of every human emotion. Yet the story, with its comedy, its romance, its pathos and its wonderful thrills, is of the simplest sort; and simplicity is always greatness, especially if it has so many enjoyable things about it. Plain and straightforward as the plot itself is, the element of surprise is ever in view. "Mickey" comes to Richmond next Tuesday.

Mickey is a lovable, harum-scarum little tomboy, who is always getting into all sorts of scrapes, that make you laugh and cry—whether with old Joe in the mountain mining district, or later with her aunt in the city. From the village setting to the contrasting scenes in the home of Mickey's aunt, there is ever an atmosphere of reality, with not a dull moment in all the seven reels.

Even the cat, dog and squirrel give startling evidence of being high-salaried actors, and as for Minnie Ha Ha, the squaw, she alone is worth the price of admission. But it's Mickey that strangles you with laughter and grips you with her hair-raising stunts.

Mickey has her share of sorrows and adventures too—plenty of it—during the eventful stay with her hypocritical aunt. It comes to a climax in the last reel, which contains one of the biggest punch scenes that has ever been screened. But one does not have to wait until the last reel before the excitement begins, because interest is aroused as soon as Mickey is known, and it continues right up to the very minutte we say goodbye to her at the end of the seven reels.
